Thanks Matt,

It was a pleasure meeting you and the rest of the group in Ottawa this week. After our meeting and following up, I wanted to let you know that I've briefed MP Clement. He was glad to hear the forum with Transport Canada proved fruitful and that discussion lines are open. I'm drafting a letter for MP Clement's review that will indicate support for continued dialogue on regulations and processes that help address the requirements and concerns of small commercial vessel operators.

Regards,

Bruce
